Collection 2023

Collection 2023

*Prized Mother-of-pearl composed with overlaid aragonite crystals tied together.
The composition is the same as the pearls.*

*This solid, polished, and bright material is carved and positioned by hand.
Ideal for any wall decor and exclusive furnishings.*

*"The artwork does not lay only in the object itself, but also in what surrounds it, the
voids, as well as the spaces. Aspiring to eternity"*

*To create something unique, of exceptional quality, made of the rarest and most marvelous
materials.*

To go beyond what is considered possible.
